## NEWS OF PENDLETON

### Daughter is Born.

A daughter was born last night in this city to Mr. and Mrs. Marvin J. Manning of Pilot Rock.

### Indian Baby Died.

A son was born last night to the wife of Parsons Motanic, well known local Indian, but the child died during the night. The burial was in the Tutuila cemetery today.

### Another Furlong Article.

A friend has sent Mrs. T. F. O'Brien a copy of the Springfield Republican of the date of Oct. 15, containing an illustrated article on the Pendleton Round-Up from the pen of Charles Wellington Furlong.

### Indian Campmeeting.

Communion services preparatory to the Indian campmeeting at the Presbyterian mission on Tutuila are now being held. The services will be held each morning and evening until after Sunday.

### Rest-Martin Nuptials.

Glen O. Rust and Miss Mary Martin were married last evening at the home of the bride's parents, Mr. and Mrs. Frank Martin, on the north side. Justice of the Peace Joe H. Parkes officiated.

### No Council Meeting.

There will be no meeting of the council this evening owing to the absence of several members. Mayor Best will be out of town campaigning for votes and Councilman H. J. Taylor left today for Portland. There is no matter of importance pending at this time.

### Leaving for Canada.

E. S. Sleeman, who recently sold his section of land near Helix to Gunder Terjeson, his wife and three children left this afternoon via the N. P. for Coburg, Ontario, Canada, where they will spend the winter. They expect to return in the spring by way of California and Mr. Sleeman anticipates farming again in this country.

### Mrs. Hanley Not Coming.

Though Mrs. E. B. Hanley of Medford was scheduled to speak in Pendleton this evening in the interest of Hughes, the meeting has been canceled. Other arrangements have been made for Mrs. Hanley but no explanation of the cancellation of the Pendleton date is given. Many republicans very much regret that she will not speak here.

### To Speak Tonight.

Another representative of the Woman's party is now in the city campaigning against President Wilson. She is Mrs. Sara Bard Field, of San Francisco, who is credited with having taken a suffrage petition across the continent by auto.

## WHY I AM FOR WILSON

By Thomas A. Edison

I'm for Woodrow Wilson. When it's America that's at stake men have got to vote as Americans. It is just one big thing after another with Wilson. Wilson has won victories by diplomacy that are far more important to mankind than any victories that we could have won by war. They say Wilson has blundered. Perhaps he has. But I notice that he usually blunders forward. Mr. Wilson has now had about four years of experience, and I think that he has earned faith and trust. I do not think it a logical or sensible thing to change to an inexperienced and untried man just for the sake of change.

Mrs. Field will speak at the Temple Theater at 8:15 and at the Alta at 8:50 tonight. She will appear on the regular program.

### Presents Folders on Parks.

Two sets of bound and beautifully illustrated booklets describing the attractions of the various national parks in the United States have been presented to Pendleton, one to the library and one to the schools, by the O-W-R. & N. Co. through agent T. F. O'Brien. The booklets were put out by the department of interior with various railway companies sharing in the expense. There are individual booklets on Yellowstone, Yosemite, Crater Lake, Mt. Ranier, Sequoia, Rocky Mountain, Glacier and other national parks whose scenic attractions are famous. Some of the illustrations are beautiful and artistic in the extreme and anyone contemplating visits to any of the parks would do well to consult the booklets.

### Strikes Snow in Denver.

A card from E. P. Averill, district inspector for the biological survey, who is attending a conference in Denver, states that the weather in Denver is very disagreeable, snow falling and wind blowing. He expects to leave for home today.

### Discusses Junior Association.

At the special meeting of the Commercial association held last evening the matter of establishing quarters for a junior commercial association was again brought up. Those chiefly interested still hope to secure the old library rooms in the city hall for boys' club rooms. The special committee appointed to take charge of the matter reported that some difficulty had been encountered in securing a man to supervise the boys' club activities and did not care to go ahead with the furnishing of such rooms until some definite arrangements were made for proper maintenance and supervision of them. At the meeting last evening the 125 new applications received in the recent membership campaign were acted upon favorably. The association also reconsidered its decision to withdraw from the United States chamber of Commerce and ordered dues for another year forwarded.

## SOCIAL PERSONAL
